

INSTALLATION GUIDELINES WPC DECKING TILES & GRASS TILES

Maintenance Instructions and Limited Warranty Included

IMPORTANT NOTICE

Buyers and owners are responsible for thoroughly reading all materials provided by the retailer at time of purchase prior to the installation of flooring, including the installation guidelines, maintenance instructions, and the product warranty information. The following instructions apply to Golden Elite's WPC decking tiles and grass tiles. This product is installed through a snap together installation method.

Golden Elite is not responsible for the installer's application of the product and requires the product to be inspected prior to installation. The installer should contact the supplier immediately for replacement if the product (whether an individual tile or more) appears doubtful in appearance, such as grade, color, finish, or quality. The supplier is responsible for replacing flooring materials in a timely fashion if the product is determined to be defective. However, Golden Elite is *not* responsible for tiles that has been previously installed or damaged on the surface of the tile by the installer. For tiles that is determined to be defective post-installation, Golden Elite will be responsible to reimburse the buyer for the materials only, labor costs or any other related expenses will not be reimbursed.

Golden Elite's WPC Decking Tiles and Grass Tiles

Wood Plastic Composite (WPC) decking tiles and grass tiles are an eco-friendly, attractive, and easy to assemble flooring solution to transform outdoor living spaces. WPC tiles are an ideal green building material that offer a natural wood look produced from recycled bamboo plastic composite to resist moisture, weather, and wear.

INSTALLATION GUIDELINES

1. Install from one corner of the area.
 2. Once the first deck or grass tile is laid, you can start to add the additional tiles.
 3. Easily 'click' together the tiles in the pattern you like.
 4. Work in an outward direction until the area is covered.
 5. Flip the tile over and re-position the screws so you will not cut into a screw.
 6. Use a table and hold down the tile from the top side and cut following your line, through the slats and the base at the same time using a hand saw.
-

EASY INTERLOCKING ASSEMBLY (How to determine the quantity of tiles needed)

- (1) One carton box contains 12 pieces of easy deck or grass tiles.
 - (2) The size of the deck or grass tile is 12"x12"
 - (3) The gap between two deck or grass tiles is around 0.16".
 - (4) 1 carton of deck and grass tile = 12 square feet
 - (5) Please measure first how many square feet you need, then could know how many cartons of the deck or grass tiles you need to buy.
-

MAINTENANCE INSTRUCTIONS

(1) Not suitable to be used or stocked in the wet place without enough sunshine and wind for long time, otherwise it will be moldy.

(2) Not suitable to be used or stocked in the place where the temperature changes frequently, such as Sauna room, otherwise it will be moldy or warping.

(3) Although we have already added colorants and stabilizers during production, the deck or grass tile will still have a little slight color variations. This is a natural occurrence in the fibers and plastic used in the manufacturing process.

(4) During the first several months after installation, there might be water stain on the surface, while the water will not go into the tiles. About several weeks later, the water stain will disappear by itself.

(5) Sand paper and steel wools are recommended to remove the ink, wine stain, chalk mark, etc.

RESIDENTIAL WARRANTY: 20 YEAR (Decking Tiles) and 5-YEAR (Grass Tiles)

Golden Elite's WPC decking tiles and grass tiles are guaranteed against any manufacturers defect, including serious splitting, cracking or damage caused by insects, rot corrosion, fungal decay, or any physical polymer breakdown, for a period of twenty (20) years for WPC decking tiles and five (5) years for grass tiles from the original date of purchase, warranty include the color stability, durability, resistance to moisture & termites, UV resistance, in terms of normal & correct using.
